

AZULERA

RESORT VILLAGE
COSTA RICA

Our two bedroom condominium units are ideal for sitting back in plush comfort while experiencing the ecological wonders of a resort paradise. Enjoy enormous living spaces that are designed especially for entertaining. Prepare home-cooked meals in a full gourmet kitchen complete with top-of-the-line appliances, granite countertops and spacious pantry. Capture a meditative moment overlooking a picturesque landscape while relaxing in one of two private open-air terraces with sitting areas and plunge pools. Our two bedroom units are enchantingly designed to provide the ultimate comfort and luxury.

Azulera Resort Village's residential condominiums at the Hyatt Regency Resort & Spa are designed by renowned architect and designer Michael Graves & Associates. Blending luxury living with the natural environment's spellbinding beauty, each condominium provides an enriching, personal sense of comfort and place.
