

AZULERA

RESORT VILLAGE
COSTA RICA

Discover a welcome dose of world-class luxury in an uncomplicated setting. Surrounded by spectacular natural beauty, our studio units warmly reflect Costa Rica's biodiversity through an array of colorful décor and furnishings. Featuring a gourmet kitchenette, cozy living spaces and a private open-air terrace with sitting area and plunge pool, the studio unit is ideal for relaxing after a day of exploring Costa Rica's paradise of marvels.

Azulera Resort Village's residential condominiums at the Hyatt Regency Resort & Spa are designed by renowned architect and designer Michael Graves & Associates. Blending luxury living with the natural environment's spellbinding beauty, each condominium provides an enriching, personal sense of comfort and place.
